Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. STATEMENT IN SUPPORT OF PETITION FOR REVIVAL

Sir:

In response to the Notice of Abandonment mailed January 16, 2007 and the Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b) filed on even date herewith, please enter and consider the following remarks.

REMARKS

(1) An Amendment and Response to the July 5, 2006 Non-Final Office Action was filed with the USPTO by Applicant via facsimile on October 5, 2006. The Amendment and Response consisted of a total of 13 pages including the facsimile cover page, as indicated on the facsimile cover sheet transmitted with the Amendment and Response. A copy of the Amendment and Response and the facsimile cover sheet are included herewith.

(2) An Auto-Reply Facsimile Transmission (i.e., receipt) was received by the undersigned (i.e., receipt) on October 5, 2006 from the USPTO. The receipt clearly shows the date (10/5/2006), total number of pages (13), and the facsimile cover sheet received by the USPTO. A copy of the Auto-Reply Facsimile Transmission receipt is included herewith.

(3) Applicant's attorney-representatives, Buckley, Maschoff & Talwalkar LLC, received the Notice of Abandonment on or about January 18, 2007.

(4) Upon review of the Notice of Abandonment and Private PAIR, it is apparent that the present application has been unintentionally abandoned since Applicant in fact filed a fully responsive reply to the July 5, 2006 Non-Final Office Action with the USPTO via facsimile on October 5, 2006.

(5) A review of the Image File Wrapper of Private PAIR reveals 12 blank pages in the Response received on October 5, 2007 by the USPTO.

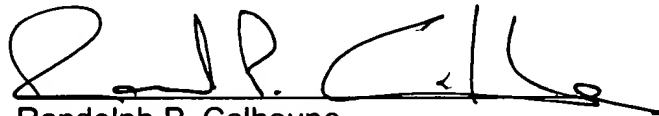

(6) Applicant respectfully submits that an error occurred on the USPTO's processing end of the October 5, 2006 facsimile filing of the Response. Accordingly, Applicant respectfully requests that the fee for the Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b) filed on even date herewith be refunded since the unintentional abandonment of the present application is due to a USPTO mistake or error.

CONCLUSION

Accordingly, Applicant respectfully requests the withdrawal of the abandonment of the present application as requested in the Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b) filed on even date herewith, as well as the refund of the petition fee (\$1,500) to Deposit Account No. 50-1852. If any issues remain, the Office is kindly invited to contact the undersigned via telephone at (203) 972-5985.

Respectfully submitted,
